

NEW HAMPSHIRE SPACE GRANT CONSORTIUM

Across New Hampshire

IN TRAVELING NEW HAMPSHIRE HIGHWAYS AND BACK ROADS, you'll discover New Hampshire Space Grant Consortium affiliates in every region of the state. The map below indicates the wide geographical distribution of our affiliates, partners, and affiliate programs.

The programs bear witness to our mission of supporting education in science and technology, with a particular focus on students pursuing undergraduate and graduate degrees in science and technology. For more information about the activities of NH Space Grant Consortium, visit www.nhsgc.sr.unh.edu.
